

# ABC MEMBERS BUILD AMERICA

## PAYING MORE THAN OUR FAIR SHARE

The construction industry historically pays the highest effective federal tax rate of any industry in the U.S. economy.

Treasury Department Effective Actual Corporate Tax Rates by Industry for 2007-2011

## IMPROVING SAFETY PERFORMANCE

Member companies that achieve the highest level of performance in ABC's safety program are 770 percent safer than the BLS industry average.\*

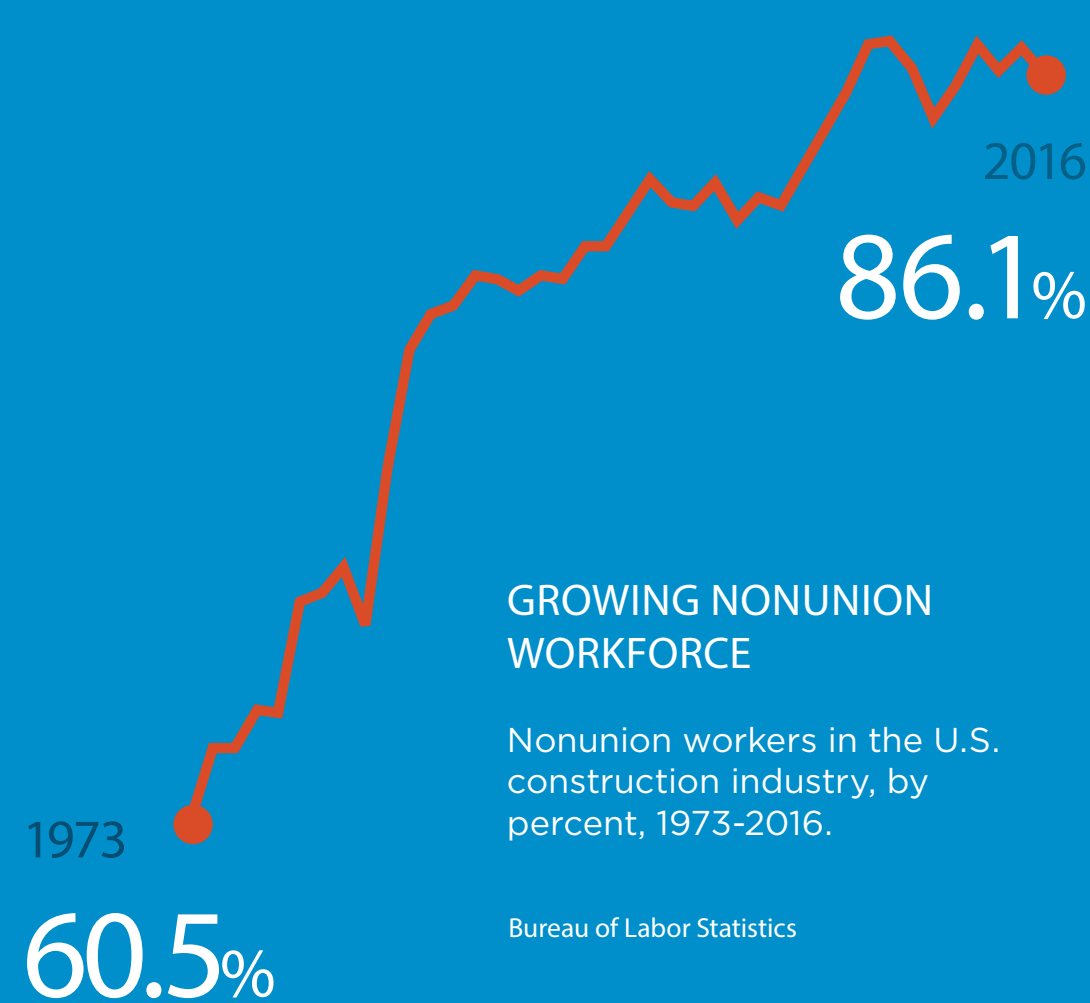

\* Based on analysis of the Total Recordable Incident Rates (TRIR) of participants in ABC's 2016 Safety Training Evaluation Process (STEP) vs. the Bureau of Labor Statistics (BLS) construction industry average.

## COMPETING. WINNING. BUILDING.

From FY2009-FY2016, ABC member prime contractors won 63 percent of the total value of large-scale federal contracts subject to President Obama's pro-project labor agreement Executive Order 13502. That's 651 contracts valued at a total of \$41 billion won by ABC members.

## ABC MEMBERS BUILD AMERICA

- ▶ More than **21,000 member firms** representing all specialties within the U.S. construction industry, primarily those focused on the industrial and commercial sectors.
- ▶ Champions of **free enterprise** and **open competition** who are committed to delivering high-quality, safe construction projects that are awarded to the most qualified bidder based on merit, not mandates or political favoritism.
- ▶ ABC members **build our communities**—from schools and hospitals to military installations, industrial facilities, skyscrapers, professional sports venues and the playground down the street. They build the structures we use to work, play, heal and learn.
