

Electrical & Mechanical Contractors Council
Membership At-A-Glance

Benefits:

- Exposure to cutting-edge information within the construction industry
- Opportunity to develop personal, professional and leadership skills
- Opportunity to network with ABC staff, members and volunteers

Eligibility:

- Active ABC chapter membership at time of application and throughout entire term
- Current or former member of ABC National Board of Directors
- Must be a contractor member in the electrical and/or mechanical trade

Scope: The Council works to identify and provide ABC initiatives that are tailored specifically to the needs of ABC electrical and mechanical contractor members.

Values:

- Innovation and creativity
- Action-oriented
- Modeling the concept of partnering, seeking opportunities when possible
- Accountability
- Collaborative and inclusive

Duties:

- Establish and maintain electrical peer groups
- Assist with planning of Workforce Development Conference (electrical and mechanical tracks)
- Develop ongoing relationship with other industry groups (i.e., Independent Electrical Contractors, SkillsUSA)
- Partner with NCCER for the improvement and continuation of education materials for the electrical and mechanical crafts
- Involvement in planning and execution of Council goals

Preferred Background

- Previous attendance at ABC meetings and events
- Strong understanding of ABC National's strategic goals
- Experience with:
 - Program development
 - Working on a virtual team

Time Commitment:

- One-year term subject to reappointment with a suggested service length of two years
- Virtual council meetings
- Time to perform committee assignments
- Travel to council meetings (approximately 3-4 times a year)
- Attendance at ABC Workforce Development Conference is required
- Workload may be heavier in the late summer and fall for planning of
